- + Private, separate toilet and shower, with sliding window
- + Roomy, easy-clean cockpit
- + Comfortable accommodation
- + Wide gunnels and side walk-around
- + Empowering helm set-up, with plenty of vision
- Cabin door height could cause a headache for taller blokes
- No handle on inside of toilet door makes closing from inside tricky
- Water capacity a bit light (will be increased to 100-litre tank on future boats)
- No non-skid on gunnels or walk-around (options)

Visibility was great from the helm
